To: The Condominium Association of Pelican Point
From: Pelican Point Pet Committee
Re: Report
Date: May 8, 2014

First meeting on Thursday, April 17, 2014 @ 6:00 p.m. (Clubhouse)

Establishment of the Committee and our mission, which is to keep Pelican Point A Pet Friendly Community.

Discussions focused on what we felt are our 3 main issues;

- Pet Registration
- Dogs Barking during their Owners absence
- Pet Waste Pick-Up

As a Committee we agree that we don't want to simply point out the wrong doings of Pet owners, we want to offer helpful solutions.

1. Pet Registration

- Created a new Pet Registration Form
- Will become part of the renter's package and will be given to all owners at time of move-in
- Current Pet owners are being asked to complete theirs

2. Dogs Barking in their Owner's Absence

- Created a 3 Notice Door Hanger system that will allow neighbors and pet owners to work together to resolve situations where dog(s) are barking during their owners absence.
- Instructions are attached to each door hanger.
- Helpful solutions offered by the Pet Committee are listed on the back

3. Waste Pick-Up

- Created a Door Hanger that will allow Residents who see a Pet Owner not picking up their Pet's waste to place one on their door.
- Complainant remains anonymous while notifying the Pet owner of the problem
- 3 waste pick-up bags are included with each hanger, as well as a fun picture on the hanger (to remove the idea that the hanger is adversarial)

All of the above are available at all times and to all residents, in the Clubhouse.

To date,

1. A majority of the Pets that are currently here (low season) have completed their Pet Registration forms.
2. There have been no barking complaints.
3. Pet Owners are keeping the dog walk area free of waste.
